

TOUR OPERATING ONLINE TRAINING COURSE

Tourist Guide Institute is now offering tour operating, online training courses. At this stage there are no Cathsseta accredited tour operating courses, but there is a need for basic training to help tourist guides start their own tour operating businesses. The course was developed out of the mentorship program that TGI runs with our tourist guide students, who start their own tour operator businesses. As well as having the tourist guide training exposure, the staff at TGI are able to draw on their years of experience as tour operators, having owned and run All Africa Tours since 2006. The course co-ordinators are Scott Womack and Julie Womack.
